

Reusable Face Mask

Sewing Pattern

CUTTING INSTRUCTIONS:

From EXTERIOR FABRIC

cut (1) 10" x 8" pieces of fabric

From INTERIOR FABRIC

cut (2) 10" x 8" pieces of fabric -this will form your filter pocket

Cut (1) piece of cording for the ties 50-60" long
this is suppose to be extra long so theres room to adjust.

Cut down to size once fit is determined.

*Use 1/2" seam allowance for entire pattern

*Cut along line on all 4 sides, seam
allowance is included in the pattern
template.
